### Announcements

Here in CCV II, we are lucky enough to have so many talented neighbors! **Shout out to Deb W.**, a nurse who continues to serve the community. She shared with me that **Friends in Deed**, located at 301 Camino Casa Verde, will begin their weekly free blood pressure checks Friday, May 7<sup>th</sup>. This service is available every Friday from 9:00 – 10:30 a.m. For more information call them at 520-625-1150 or visit the website at <https://fid-gv.org/>.

#### Happy Mothers Day

to all our moms here in the area. If you are traveling, be safe! If you are staying close to home: stay hydrated! (do mimosa's count?) All you momma's out there need to remember you are amazing, and that you are "Somebody's Hero". Here is a link to the Jamie O'Neal song that reminds us all just how much you all do.

A special thanks to all the women who have been like a mom to me.

## Neighbors Helping Neighbors

*These last few months have been busy as we are all beginning to come out of our covid safety measures and restrictions. It has been much like watching a butterfly emerge from the cocoon and coming to life. We are all spreading our wings and it feels good! Read on to catch up on some of the events we have shared lately!*

#### Meet Jim Willis:

Throughout the neighborhood, as we are all beginning to come out like the munchkins when the Good Witch arrives, our neighbors have been out in force sharing, caring and helping each other out. Old and new alike. Dick and Alyce, new owners most recently from Mexico, have been busy with moving in, but not too busy to jump in and start working on projects with the Carroll's and the Cronin's. People needing

rides to appointments and getting help from other neighbors, and then there's **Jim Willis**. Jim has been a long-time resident here in CCVII, and can often be seen watering at another neighbor's house (permission granted) where he has single handedly brought the landscaping

back from the grips of death! Jim had just returned from Vegas where he celebrated his 90<sup>th</sup> birthday and catching up with family when I saw him again.

We sat and talked for a bit and I asked him if he had known the new owners of this house before they bought, and he did not. He met them one night as they sat out in their lawn chairs, garage door open and taking a break from their short visit to the house they bought.

(cont. on back)

#### Upcoming Events:

May 20, 11 am: POA Zoom meeting

Oct. 22<sup>nd</sup>/23<sup>rd</sup>: Community garage sale

## Jim Willis, cont.

He got to know them pretty quickly and offered to keep an eye out on their place and yard. Jim and I laughed as we talked about how we know our neighbors by the names of their dogs before we get around to the names of the owners. He can tell you all about Cody and Darby's "mom and dad", and Sparky's folks, and agreed that we know the dogs before the neighbors. Jim did not know the owners of the house he dedicates a lot of his time to watching over. He didn't need to. He knew that his neighbor needed help. That's good enough for him. I tend to agree. I like knowing that I live in that kind of community. Thanks, Jim W., for being *that* kind of neighbor.

*Welcome Home!*  
Join us as we welcome our newest neighbors:

Steve and Mary, and son Mathew, Grzyvwa (pronounced Jira) Steve and Mary are snowbirds from Illinois, and their son Bruce lives here full time. Bruce is a teacher and football coach at Anza Trail in Sahuarita. (Go Coyotes!)

And

Dick and Alyce Magill  
Dick and Alyce moved here from beautiful San Miguel de Allende, MX. They are originally from Tucson, and said they "are glad to be back and living in Green Valley"

## Tidbits >>>

**Javalina's** are out looking for food. Watch your gates and keep your trash bins put away.

**Coyotes and snakes** have been spotted on our streets. Take extra care with your pets.

**Hummingbird Feeders:**  
Please, if you feed the hummers, change the food frequently to avoid growing lethal fungus or mold. This causes the birds tongues to swell, a condition known as Hummers Candidiasis.

**Helen R**, a CCV II member and our GVC Rep has this to share: As POA members with Green Valley Council, we are entitled to many privileges. One of those is access to a bonded, Public Notary, free of charge. To make an appointment, call the Green Valley Council office at 520-648-1936 [www.gvcouncil.org](http://www.gvcouncil.org) for more information and opportunities visit their link. Thanks for the information, Helen!

**The Social Committee** didn't know if they would be able to plan a community garage sale this Spring, however, they managed to put one together without much time, but with much effort! Below are just a few images from that day. Don't forget to "Save The Date" for the next Community Sale scheduled for Oct 22<sup>nd</sup> and Oct 23 2021. Thanks **Social Committee aka Deb and Theresa**
