

COUNTRY CLUB VISTAS II POA  
Yard and Alley Maintenance Notice

Dear Members;

Now that the recent rainy weather has passed, the POA would like to remind residents that it is time to clean and maintain their yards and the alley areas surrounding their property.

The recent rain has caused weeds and vegetation to grow quickly throughout the community. We are asking that you please remove excessive weeds and overgrown vegetation from your property, including along sidewalks, driveways, walls, and other areas visible from the street.

Please also make sure that the 50% portion of the alley directly behind your property is cleared of excessive weeds and overgrown vegetation. Each property owner is responsible for maintaining their half of the alley behind their property.

Taking care of these areas now that the rain has stopped will help keep Country Club Vistas II clean, neat, and well maintained for everyone in the community.

We appreciate your cooperation and ask that you please address the weeds and alley maintenance as soon as possible.

Thank you for helping keep our community looking its best.

Sincerely,

Country Club Vistas II POA Board
